THE BREVITY BASKET.

Filled With Brief Mention of Many Minor Rivents of Yesterday.

The court in hanc yesterday reversed the judgment of the circuit court and ordered a new trial in the case of the District of Columbia vs. Johnson, involving wharf property on the river front.

The demolition of the old navy department building commenced yesterday morning at an early hour, the wooden archway connect-ing it with the new building being torn down and the building rapidly dismantled.

The case of George Courtney, assignce in the matter of the application for a mandamus on the district commissioners, to compel them to pay over certain bonds in which retained contract money was invested, was dismissed by the court in bane yesterday, by direction of the plaintiffs counsel. Further proceedings are looked for.

It is certain that the longer a speech, the weaker it is, but not so with a cold, the longer it runs, the worse it becomes. A cold, be it ever so slight, is no trifle; it should be checked in its early stages. Dr. Bull's Cough E/rup is the "Balm of Gilead" that millions say is divine in its critics.

STREETS FOR CARRIAGES ALONE.

Judge Snell's Singular Decision-Drivers Can Now Run Over Pedestrians at

The action of Judge Snell in dismissing the case against Geo. Botts, colored, yesterday, has caused much indignant comment in this city. Botts, who drives the carriage of ex-Commissioner Phelps, ran over and seriously injured Mr. Geo. McCullom on the avenue about a week ago. During the trial yesterday one witness testified that Botts and himself were racing their horses at the time of the occurrence. After Botts had run over Mr. McCullom, witness said to him, "That's what you get for racing with me; you've run over a man." An officer, referring to the dismissal of the case, said, "That decision of Judge Snell's that there was no criminal intent on Bott's part practically declares that the pedestrians have no rights that careless drivers are bound to respect. If a man is run over now the driver will only have to come into court and prove that there was no criminal Commissioner Phelps, ran over and seriously

court and prove that there was no criminal intention on his part and the case will be dismissed. If such a case is not criminal intent it certainly is criminal carelessuess. Some citizen may yet shoot a careless driver and it will be clearly self-defense." The bone of contention among the medical fra-ternity can no longer be considered St. Jacobs Oil, since druggists whose veracity is not to be doubted, and eminent physicians like A. A. Waite, of Fitts-field, Mass., give and corroborate their testimony cheerfully and without solicitation. This speaks volumes.—Providence (R. I.) Democral.

Washington's Birthday.

There will be several parades in this city on Washington's birthday, Feb. 22. This resulted because the several organizations failed to because the several organizations failed to effect arrangements for a consolidation on that day. Col. William G. Moore, commanding the Washington Light Infantry, has issued a general order, which states that the corps will assemble for parade at 2 o'clock sharp, on Feb. 22, at the armory. The parado will be made in overcoats, futigue coats, and shakos. The National Riffes have completed arrangements to visit Frederick, Md., on the twenty-second, where they will participate in the grand parade and carnival at that place. They will embark at 8:30 in the morning and return at 9:30 p. m. A large number of honorary members will accompany the command. It is understood that several colored organizations have made arrangements to parade izations have made arrangements to parade in this city. Alexandria will indulge, as usual, in a procession and other festivities.

EMIGRANTS and travelers will find in Ayer's Sarsiparilla an effectual cure for the eruptions, boils, pimples, eczema, &c., that break out on the skin—the effects of disorder in the blood caused by sea diet and life on board ship. It is the best medicine for everyone in the spring.

A Long Session of the Police Court. The session of the police court yesterday was unusually long. It continued until 3:30 o'clock in the afternoon, during which time eighty-four cases were disposed of. Twenty-two vagrants, of all sizes, shapes, and colors were sentdown to the workhouse to swell the chain gang. The black maris made two full loads. One of the attaches of the workhouse remarked to a REPUBLICAN reporter that the addition of to-day will enable Mr. Stoutenburgh to place two gangs at work cleaning the streets.

DR. PIERCE'S "Golden Medical Discovery" has become so thoroughly established in public favor that were it not for the forgerfulness of people it would not be necessary to call ttention to its power to cure consumption, which is scroular of the lungs, and other blood diseases, as

Indicted in the Criminal Court. The grand jury yesterday reported the following indictments: George Jackson, manslaughter; James Smith, false protenses slaughter; James Smith, laise protonses; James Smith, larceny; Massey Carter, house-breaking; Samuel Lewis, housebreaking; Jennie Towies, second offense, petty larceny; Francis Queenan, housebreaking; Annie E. Schram, larceny; Henry Festies, embezzle-ment; Charles Smidt, assault to kill.

New Orleans and Return. Mardi Gras tickets are now on sale by the Virginia Midland railway from Alexandria, Va., at the rate of \$45.30.

An Ex-Capitol Page in Trouble. George Adamson, an ex-page in the house of representatives, was held in \$500 bail for the grand jury in the police court yesterday for forging the name of Representative Lyman, of Massachusetts. The testimony showed that Adamson forged an order for a pocketbook on the stationery room. Adamson said he bought the order from another page.

Zell Hoover in Court Again. Thomas Z. Hoover was held in \$500 bonds in the police court yesterday to answer the charge of swindling Mrs. Mary Simpson, of 1003 New York avenue, of \$6.25. It is al leged that Hoover promised to get Mrs. Simp-son's son a position as page in the capitol through Senator Miller's influence and re-ceived the money, after which he disap-

and Demonet, assistants. "Rough on Coughs" Troches, 15c.; liquid, 50c.

A Runaway Servant. Early yesterday morning a colored servant man of Commodore S. Nicholson, No. 2 Cooke's row, Georgetown, walked off, carrying with him an overcoat, hat, and pair of alcove but-tons belonging to the commodore. He also borrowed a cost and vest from the servant man next door, which he forgot to return.
